

FILLING COMMUNITY FOOD SHELVES

The Second FULL weekend of each month, St. Genevieve's parishioners gather items to help fill the Hugo Food Shelves and Centennial Food Shelves. **Monetary donations go the farthest.** You can pick up Food Shelf envelopes at the back of Church to put a monetary donation in the collection basket.

These gifts help local families stay strong and healthy by offering access to nutritious foods such as:

Tuna, macaroni & cheese, canned tomatoes

Pancake mix/syrup, peanut butter/jelly

Baked beans, canned chili, spaghetti sauce

Pasta, rice, canned meat

Toothpaste, shampoo, deodorant, toilet paper

Please bring your donations to any of the 2nd FULL weekend of Masses

Every Month is Minnesota FoodShare Month.

Minnesota FoodShare has a funding source from which they are able to provide a financial gift to participating food shelves. The more food and funds we raise during the March Campaign, the larger our share of the FoodShare monetary allocation! NOTE: St. Genevieve's donates food/funds to Communities in the Hugo, Lino Lakes and Centerville area..
